CONSTRUCTION ALERT

RAILROAD STREET TO BE CLOSED AT FULLERTON ROAD INTERSECTION BEGINNING JULY 29; LOCAL BUSINESS ACCESS WILL BE MAINTAINED

WHAT

As part of the Fullerton Road Grade Separation Project, contractors will close Railroad Street at the Fullerton Road intersection in preparation for the next phase of underpass and bridge construction (see map above).

WHAT TO EXPECT

Eastbound and westbound traffic lanes on Railroad Street will be closed to through traffic immediately east of Samuelson Street and west of Charlie Road. Motorists are encouraged to use Azusa Avenue and Nogales Street as major north-south detour routes. A complete closure of pedestrian access and strict enforcement will be implemented within the project area currently under construction. Local access is still available along Railroad Street from Rowland Street to Lawson Street via Azusa Avenue or from San Jose Avenue to Charlie Road via Nogales Street. Access to local businesses will be maintained. The work will require the use of trucks, tractors and other construction equipment. Noise, dust and vibration may be noticeable. Motorists and pedestrians are urged to obey posted signs and exercise caution while in the vicinity of the construction activities.

WHEN

The closure of Railroad Street at the Fullerton Road intersection will commence on or after the morning of **Monday, July 29, 2019** and is expected to continue until the end of the construction project when the roadway re-opens to traffic.
